 - b) spa treatments and treatments in sanatoriums as well as rehabilitation measures of the statutory rehabilitation providers;
 - c) treatments during a stay in a health resort or spa, also if the insured person stays in a hospital there. The restriction shall not apply if the insured person has his or her permanent residence at that place or becomes unable to work during a temporary stay due to an acute disease incurred independently from the purpose of the stay or due to an accident occurring at that place as long as said acute disease or accident makes a departure impossible from a medical point of view. Furthermore, the restriction shall not apply if and to the extent that the Insurer has given its written consent to benefits prior to the start of the stay;
 - d) a treatment or accommodation based on infirmity, a need for care or custody;
 - e) a treatment of mental or psychological disorder as well as hypnosis, psychoanalysis and psychotherapy;
 - f) immunisation measures;
 - g) aids and appliances;
 - h) a treatment due to sterility, inclusive of artificial insemination as well as preliminary examinations and follow-up treatments related thereto;
 - i) preventive medical checkups;
 - j) treatments by spouses, parents, children, persons living in a common household or persons with whom the insured person lives together within an own family or the host family. Depending on the product agreed upon, documented material costs shall be reimbursed;
 - k) treatments due to diseases inclusive of their consequences as well as due to the consequences of accidents caused by a profession-related participation in sporting competitions or competitions organised by associations and clubs, inclusive of their preparations, or recognized as damage or injury due to military services and not explicitly included in the insurance coverage;
 - l) withdrawal treatments inclusive of withdrawal cures;
 - m) treatments due to those diseases inclusive of their consequences, which occur because protective vaccinations recommended by the World Health Organisation or prescribed by law were omitted, unless such vaccinations were precluded for medical reasons. In this case, the medical reasons must be supported by a medical certificate to be submitted to the Insurer.
 - n) treatments of a dependency syndrome and its consequences;
 - o) suicide attempts and their consequences;
 - p) organ donations and their consequences;
 - q) dentures (like, e.g. pivot teeth, inlays, crowning, implants) and orthodontic treatments, occlusal splints and gnathological measures.
3. Unless otherwise agreed upon, the Insurer shall not be obliged to pay for treatments by physicians, dentists, alternative practitioners and clinics or midwives if a reimbursement of their invoice amounts has been excluded by the Insurer for good reason. As a precondition, the Insurer must have informed the Party Entitled to be Insured and the insured person prior to the occurrence of the insured event about those treating persons whose invoices will not be reimbursed. If an insured event has occurred prior to said notice, the costs incurred for treatments by the respective treating person must be reimbursed according to insurance benefits provided for in the respective product for a period of not more than three months as from the date of such notice.

4. If medical treatments or other measures for which benefits were agreed upon exceed the medically necessary extent or in the event that the claimed remuneration is not adequate when compared with local customary practices, the Insurer shall be entitled to reduce its payments to a reasonable amount.
5. In the interest of all parties involved, applicable international sanction regulations will be followed. The Insurer is not obliged to provide insurance coverage or to cover any loss or to provide any other service under this agreement if the provision of such insurance coverage, the payment of such loss or the provision of such service would subject the Insurer to any sanction, prohibition or restriction under United Nations resolutions, under trade or economic sanctions, under laws or regulations of the European Union or the United Kingdom, or under sanctions of the United States of America.

Art.7 Obligations and Consequences of their Infringement

1. After an insured event has occurred, the Policyholder, the Party Entitled to be Insured and the insured person shall be obliged
 - a) to refrain from anything which could result in an unnecessary increase of costs;
 - b) to give the Insurer or its authorised representative immediate notice of any damage or injury expected to exceed a sum of EUR 1,000;
 - c) to permit the Insurer or its authorised representative to carry out any reasonable examination with respect to the cause and amount of its payment duty, to give any pertinent information in this context, to file original supporting documents and, in case of death, to submit the death certificate.
2. The Insurer must be given notice of every hospital treatment within a term of 10 days after its commencement.
3. The corresponding supporting documents shall be submitted to the Insurer by the Insured Person within a term of three months after each individual treatment.
4. In the event that insurance coverage of medical costs incurred by the insured person has also been concluded with another Insurer or such insurance coverage exists or the insured person makes use of his or her right to be insured within the framework of the statutory health insurance scheme, the Party Entitled to be Insured and the insured person shall be obliged to give the Insurer immediate notice of such other insurance.
5. Unless otherwise provided for in the product, pregnancies shall be reported to the Insurer within 4 weeks after having become aware of them.
6. Medically necessary return transports must be reported to the Insurer prior to carrying them out.
7. Upon request of the Insurer, the insured person shall be obliged to have himself or herself examined by a physician appointed by the Insurer.
8. If insurance benefits are paid, start and end and interruptions of a stay in the area of applicability as well as the fulfilment of the product-specific prerequisites for an eligibility for insurance have to be proved by the Insured Person upon the Insurer's request.
9. Stays in the USA/Canada/Switzerland and in Germany for holiday- or profession-related reasons shall be reported to the Insurer or its authorised representative prior to the start of the travel.
10. The Party Entitled to be Insured and the insured person shall be obliged to give the Policyholder immediate notice of any changes of their addresses.
11. If the Policyholder, the Party Entitled to be Insured or the insured person intentionally fails to comply with one of the obligations contractually agreed upon, the Insurer shall not be obliged to make payments. In the event of a grossly negligent violation of obligations, the Insurer shall be entitled to reduce insurance payments in proportion to the severity of the negligence of the Policyholder, the Party Entitled to be Insured or the insured person. The burden of proving that gross negligence has not occurred shall lie with the Policyholder, the Persons Entitled to be Insured or the insured person.

Art.8 Payment of Insurance Benefits

Unless otherwise provided for, the following shall apply:

1. The Insurer shall only be obliged to pay if the following supporting documents which will become the property of the Insurer - have been submitted:
 - a) original supporting documents for payments actually made which show the surname, Christian name and date of birth of the treated person, the name and address of the treating person, the name of the disease, the description of the services rendered by the treating person as to kind, place and period of the treatment. In the event that medical treatment expenses are covered by another insurance and said other Insurer is claimed on first, copies of the invoices with refund endorsements shall be sufficient to give evidence in this respect. Sup-

porting documents which were prepared in a foreign language and are important for the insurance benefits must, upon the Insurer's request, be accompanied by German or English translations;

- b) recipes shall be submitted together with the physician's invoice, the invoice for remedies, aids and appliances together with the prescription;
 - c) if claims for reimbursement of costs for a medically necessary return transport are asserted, documents supporting the amount of expenses which would have incurred in the event of a scheduled return journey shall be submitted. In addition, a medical certificate about the medical necessity of the return transport must be submitted;
 - d) in addition, the official certificate of death and a medical certificate about the cause of the death must be submitted if reimbursement of transfer or funeral expenses is claimed.
2. Expenses incurred in a foreign currency shall be converted to the currency valid at that time in the Federal Republic of Germany by applying the rate applicable on the day of the receipt of the supporting documents with the Insurer, unless it can be shown that the foreign currencies required for paying the invoices were bought at a less favourable exchange rate and that this was due to a change of currency parities.
 3. Additional costs arisen because the Insurer remits amounts to a foreign country or because special transfer methods were agreed upon may be deducted from the insurance payments.
 4. Claims for insurance benefits must not be assigned or pledged.
 5. Within the framework of the examination of insurance benefits payable for an insured event it may become necessary that the Insurer collects personal health data to the extent permitted by law. In the event that the Party Entitled to be Insured or the insured person culpably fails to permit such data collection and no other opportunity to examine the claimed payments is made possible and, as a result, the Insurer is not able to finally determine the amount and volume of its payment obligation, payments shall not become due.
 6. One month after having given notice of the insured event, the minimum amount to be paid on the merits of the case may be claimed as down payment. Passage of time shall be suspended as long as the Insurer is prevented from examining the claims due to a fault of the Policyholder, the Party Entitled to be Insured or the insured person.
 7. Claims arising from this group insurance contract shall be subject to a limitation period of three years. The limitation period shall commence upon expiry of the year during which the respective payment can be requested.

Art.9 Compensation from Other Insurance Contracts and Claims against Third Parties

1. If compensation from another insurance contract can be claimed in case of an insured event, said other contract shall have priority over this contract. This shall also apply if a subordinated liability has been agreed upon in one of those insurance contracts, irrespective of the time when the other insurance contract was concluded. In the event that the insured event is, within the framework of this group insurance contract, at first reported to the Insurer, the latter shall make an advance payment and contact the other Insurer for cost-sharing purposes directly.
2. The claims of the Policyholder, the Party Entitled to be Insured or the insured person against third parties shall - to the extent permitted by law - be assigned to the Insurer if the latter has paid compensation for the damage or injury. To the extent necessary, the Policyholder, the Party Entitled to be Insured or the insured person shall be obliged to provide the Insurer with a declaration of subrogation. The Insurer's obligation to pay insurance benefits shall be suspended until said declaration of subrogation has been submitted. If the insured person prevents enforcement of the claims by acknowledgment or similar, the claims can be reduced accordingly.
3. The claims of the Policyholder, the Party Entitled to be Insured or the insured person against treating persons due to excessive fees shall - to the extent permitted by law - be assigned to the Insurer if the latter has reimbursed the respective invoice amounts. As far as necessary, the Policyholder, the Party Entitled to be Insured and the insured person shall be obliged to assist the Insurer when enforcing its claims. To the extent necessary, the Policyholder, the Party Entitled to be Insured or the insured person shall be obliged to provide the Insurer with a declaration of subrogation, if necessary. The Insurer's obligation to pay insurance benefits shall be suspended until said declaration of subrogation has been submitted.
4. The insurer and the policyholder are neither liable for the selection nor for the actions of the selected physicians, surgeons, anesthesiologists, hospitals or other service providers such as alternative practitioners and midwives. Likewise, the insurer and the policyholder are not liable for treatments, advice, medical interventions or for the prescription and administration of medication by the aforementioned service providers.

Art.10 Setoff

1. The Policyholder, the Party Entitled to be Insured or the insured person shall only be entitled to offset own claims against claims of the Insurer if the counterclaims are undisputed and have been determined with legal effect.
2. Contrary to Art. 35 German Insurance Contract Act (VVG), the insurer may not, however, set off premium claims against other insured persons.

Art.11 Declarations of Intent and Notices

Declarations of intent and notices forwarded to the Insurer shall be subject to text form (letter, fax message, e-mail, electronic data carrier etc.). The insured person shall have an own right to assert claims arising from the contract against the Insurer. The insured person may assert claims against the insurer even if he or she is not in possession of the insurance policy (in derogation of Art. 44 German Insurance Contract Act (VVG)).

Art.12 Applicable Law/Contract Language

The applicable law shall be the German law, unless this is contrary to international law. Contract language shall be the German language.

EXPLANATIONS

concerning the particularities of a group insurance policy and the duties according to the German Insurance Contract Act (VVG)

The particularities of a group insurance policy

Insurance coverage shall be granted within the framework of a group insurance contract (GIC). The policyholder shall be a company of the BDAE Group (BDAE) and the insurer shall be an insurance company permitted to conduct business operations in Germany pursuant to the German Insurance Contract Act (VAG). The insured person shall be granted insurance coverage by joining the group. Thus, the VVG shall not apply directly and immediately to the relationship between the policyholder and the insured person.

However, the rules from the VVG described in more detail below, in particular Art. 19 to 22, are applied in the legal relationship between the insured person and the policyholder (BDAE), which you confirm by your signature.

In compliance with the requirements of the supervisory authority, the GIC provides for some improvements of the legal situation of the insured person:

- In derogation from Art. 44, paragraph 2 VVG, the insured person may assert claims directly towards the insurer of the GIC.
- In derogation from Art. 35 VVG, the insurer shall not be entitled to set-off against claims not attributable to the insured person.
- The insured person shall be provided with any and all information usual pursuant to Art. 7 VVG and the VVG Decree on Information Duties.
- The insured person shall be given notice of any change, including a termination, of the GIC.
- The insured person shall hold a right of revocation similar to the one provided for in the VVG.
- Insured persons shall benefit from the principle of equality pursuant to Art. 138, paragraph 2 VAG.

According to the same requirements of the supervisory authority, certain obligations shall likewise apply to the insured persons; in this context, particularly the knowledge of the insured person and his or her behaviour shall be taken into account with respect to the insurance company's payment duties:

Art. 19, paragraph 5 VVG - consequences of an infringement of the statutory duty to disclose

For enabling BDAE to examine your application properly, you shall be obliged to give true and complete answers to the questions included in the application documents. This shall also relate to circumstances which might be of low importance from your point of view. If there is any information you do not want to disclose towards the intermediaries, please send it in text format directly to the BDAE without any delay. **Please note that you put your insurance coverage at risk when giving incorrect or incomplete information.** For more details about the consequences of an infringement of the duty of disclosure, reference is made to the information following hereinafter.

What are your pre-contractual duties of disclosure?

By the time when you make your contractual statement, you shall be obliged to give true and complete notice of any and all risk-relevant circumstances known to you and requested by us in text format. Risk-relevant circumstances are defined as circumstances relevant for the decision of BDAE to conclude the contract with the contents agreed upon. In the event that, after your contractual statement, but prior to the acceptance of the contract, BDAE asks you in text format to give information on risk-relevant circumstances, you shall also to this extent be obliged to report.

What are the potential consequences of an infringement of a pre-contractual duty to disclose?

1. Rescission and loss of insurance coverage

If you and/or the person to be insured fail to comply with the pre-contractual duty of disclosure, BDAE may rescind the contract, unless you are able to

show that you did not infringe the duty of disclosure either intentionally or with gross negligence. In the event of a grossly negligent infringement of the duty to disclose, BDAE shall not be permitted to rescind the contract if the contract would also have been concluded in case of knowledge of the undisclosed circumstances, even if such conclusion would have been made subject to other conditions. If the contract is rescinded, there will be no insurance coverage. If BDAE rescinds the contract after occurrence of an insured event, BDAE shall nevertheless be obliged to pay, always provided that you are able to show that the undisclosed or incorrectly disclosed circumstance was neither the cause of the occurrence or determination of the insured event nor the cause of the determination or extent of the payment obligation related thereto. If you fraudulently infringe the duty to disclose, there shall be no payment obligations at all. If BDAE rescinds the contract due to an infringement of the duty of disclosure, the insurance premium must nevertheless be paid until the date when the rescission becomes effective.

2. Termination

If BDAE cannot rescind the contract because you did not infringe the pre-contractual duty of disclosure either intentionally or with gross negligence, the contract may be terminated with one month's notice. A right of termination shall be excluded if the contract would also have been concluded in case of knowledge of the undisclosed circumstances, even if it would have been made subject to other conditions.

3. Contract amendment

If BDAE cannot rescind or terminate the contract because the contract would also have been concluded in case of knowledge of the undisclosed risks, even if under different conditions, such other conditions shall, upon request of BDAE, retroactively become part of the contract in the event that you have negligently infringed your duty to disclose. In the event that the premium increases by more than 10 % due to the contract amendment or if BDAE excludes coverage of the risk related to the undisclosed circumstance, you may terminate the contract without notice within a term of one month after receipt of the notice on the contract amendment. BDAE will draw your attention to such right.

4. Exercise of the rights of the BDAE Group (Art. 21 VVG)

BDAE may assert its rights of rescission, termination or contract amendment in writing within a term of one month. Such term shall start at the time when BDAE gets knowledge of the infringement of the duty of disclosure underlying the right asserted by it. When exercising its rights, BDAE shall indicate the circumstances upon which it relies when asserting its rights. For substantiation purposes, BDAE may subsequently indicate additional circumstances if the term according to sentence 1 has not yet lapsed. BDAE shall not be able to rely on the rights of rescission, termination or contract amendment if BDAE was aware of the undisclosed risk or the incorrectness of the rendered information. The rights of rescission, termination and contract amendment shall become time-barred upon expiry of three years after contract conclusion. This shall not be applicable to insured events occurring prior to the expiry of said term. The term shall be extended to ten years if you infringed your duty to disclose intentionally or fraudulently.

5. Wilful deception (Art. 22 VVG)

The right of BDAE to contest the contract due to wilful deception shall remain unaffected.

6. Representation by another person (Art. 20 VVG)

If, at the time of contract conclusion, you have yourself represented by another person, both the knowledge and fraudulent behaviour of your representative and your own knowledge and fraudulent behaviour shall be taken into account with respect to the duty of disclosure, a rescission, termination, contract amendment or the limitation period for the exercise of the insurer's rights. You may rely on not having infringed the duty to disclose intentionally or with gross negligence only if the absence of intentional and grossly negligent behaviour relates both to your representative and to yourself.

I have taken note of the explanations and agree to the applicability of the listed provisions of the VVG to the group insurance contract.

Supplementary Service:

PATIENT LEGAL EXPENSES INSURANCE FOR BDAE CLIENTS

In addition to your overseas health insurance, BDAE has concluded for you a patient legal expenses insurance for foreign countries without charge. Said insurance shall **provide protection against medical treatment and medical advice errors**. Thanks to the cooperation between BDAE and ARAG, said patient legal expenses coverage shall be available for you on a worldwide basis.

What is Insured?

The insurance policy shall become applicable whenever physicians or medical staff have committed treatment errors causing harm to you in any manner. True, the relationship between physicians and patients is based on confidence. Nevertheless, also medical professionals may make mistakes. In such events, it is often particularly difficult for patients to get justice when involved in a complicated conflict about treatment errors. This is all the more true because patients will in such events usually be forced to hold discussion with the professional liability insurance of the medical professional rather than with the treating physician himself or herself.

- ✓ **Legal disputes up to one million Euros** each shall be covered on a worldwide basis. Up to this amount, ARAG shall assume all lawyer's and legal costs.
- ✓ Upon request, the insurer shall also recommend a lawyer **specialised in medical law**.
- ✓ Access to the ARAG **online legal service** providing approx. 1,000 legally verified sample letters and documents from various fields of law.
- ✓ Within the framework of ARAG-JuraTel®, lawyers will be available for an **initial consultation by phone** in order to help you in case of claims for damages or in the event of an alleged criminal offence.
- ✓ Once per calendar year, you will be able to consult a lawyer accredited in Germany in order to prepare or amend an advance health care directive inclusive of an enduring power of attorney; in this context, an amount of up to EUR 250 shall be covered.

Which Errors are deemed to be Medical Treatment or Advice Errors?

It is not only the much-cited pair of scissors forgotten in the abdomen during a surgical intervention that must be regarded as treatment error. To give only one example, such errors also include a faulty advice on the dosage of a medicine. Hence, an inappropriate, particularly a careless, improper or delayed treatment of a patient by a physician shall be regarded as treatment error. If a physician has failed to inform a patient about the necessities and risks of a treatment, such failure shall be regarded as **medical advice error** – also covered by this insurance. All this shall not only apply to physicians, but also to hospital staff, psychotherapists, pharmacists or nursing services. With respect to the patient legal expenses insurance, all these persons have the same status as physicians.

About ARAG

ARAG is the largest family-owned company in the German insurance sector and considers itself as versatile quality insurer. Apart from its focus on legal expenses insurances, it also provides its customers in Germany with attractive need-based products and services under one roof in the fields of composite services, health and prevention. With its more than 4,000 employees, the group generates sales and premiums in a volume of more than EUR 1.6 billion. BDAE has been cooperating with the company since 2008. ARAG and BDAE have jointly developed the first legal expenses insurance for overseas stays that applies on a worldwide basis.

SEPA DIRECT DEBIT MANDATE

I hereby authorise BDAE Holding GmbH, in turn authorised by BDAE Expat GmbH for contract management and collection, to collect payments owed by me from my account by means of direct debiting.

At the same time, I instruct my financial institution to honour direct debits drawn by BDAE Holding GmbH for the insurer.

Collection shall be identifiable on the basis of the Creditor Identifier DE23ZZZ00000131378 and the personal mandate reference number shown in the confirmation of cover. Depending on the chosen payment method, collection shall take place on the 1st day of each month.

Please note: I shall be entitled to request the refund of the debited amount within a term of eight weeks commencing on the date of debiting. In this context, the terms and conditions agreed upon with my financial institution shall apply.

In the event that the funds on my account are insufficient, the financial institution in charge of my account shall not be obliged to honour the direct debit. Partial payments shall be excluded from direct debiting procedures.

In addition, the following regulations shall apply:

- Depending on the payment method elected below, the total amount shall be paid in advance in each case.

The person owing the premiums shall, towards the policyholder, be the person entitled to be insured and, towards the insurer, the policyholder.

- The premium shall be due for payment after receipt of the confirmation of cover, but in no case later than as to the inception date. I am aware that the policyholder will refrain from registering or will deregister the aforementioned persons as insured persons with the insurer if the amount to be paid, inclusive of ancillary costs, fails to be paid or to be paid completely for reasons the person entitled to be insured is to be made responsible for. I am aware that no insurance coverage shall exist in such case.
- In the event that the person paying the premium is not identical with the person entitled to be insured / the insured person, the person entitled to be insured / the insured person shall be obliged to give the premium-paying person notice of the rendered information.
- Advance information on the collection of the owed amounts shall be given in the confirmation of cover addressed to the person entitled to be insured. In this context, the premium amounts, the due dates, the Creditor Identifier and the mandate reference number shall be indicated.

Purposes and legal bases for data processing

We process your personal data in compliance with the General Data Protection Regulation (GDPR), the Federal Data Protection Act (BDSG), the privacy regulations of the German Insurance Contract Act (VVG) and all other applicable statutory provisions.

If you file an application for conclusion of an overseas health insurance within the framework of the EXPAT PRIVATE PREMIUM product either online, by e-mail or via the BDAE web upload portal or by mail, we are in need of the information rendered by you in this context for being able to conclude the insurance contract. If the insurance contract comes into being, we process your data for the purpose of the implementation of the contractual relationship, e.g. for general customer and contract administration purposes, in order to get into contact with you or for issuing our invoices. In case of claims, we need the data for making assessments and settlements.

The legal basis for processing your data for precontractual and contractual purposes is Art. 6 (1) b) GDPR. If you are asked to provide medical data for processing them in the context of the insurance product, your statement of consent obtained for this purpose within the framework of the application according to Art. 9 (2) a) in conjunction with Art. 7 GDPR serves as legal basis for processing such medical data.

Recipients and categories of recipients of personal data

Your data will exclusively be forwarded to third parties to the extent necessary for implementing the contract or, as the case may be, for providing the benefits of your EXPAT PRIVATE PREMIUM product or you have given your consent thereto. Moreover, your data may be disclosed towards third parties to the extent that we are obliged to proceed this way due to statutory provisions or enforceable orders issued by public authorities or courts. When we process your application and your contract, your personal data are forwarded to the BDAE Holding GmbH, our sister company, the BDAE Consult GmbH as well as to our parent company, the MSH INTERNATIONAL within the framework of the operation of the service portal or, as the case may be, collected by the two BDAE companies processing your applications and settling your contractual benefits on our behalf. For safeguarding your rights, data processing contracts have been concluded with the aforementioned companies.

In addition, personal data are forwarded to the following recipients in a pseudonymised format when processing the contract and insured events:

- Allianz Partners AWP Health & Life as your international health insurer
- ARAG SE as your patients' legal protection insurer
- Allianz Partners Deutschland GmbH in the event of medical assistance services
- BDJ Versicherungsmakler GmbH & Co. KG if you make use of the insurance for repatriation by airplane.

The disclosure of data towards the aforementioned recipients is absolutely necessary for implementing the contract

The data are processed via servers of the BDAE Holding GmbH which have been rented from an internet service provider resident in Germany. With this provider, too, a processing contract has been concluded in order to safeguard your rights.

Data forwarding to a third country

Your data will in no case be forwarded to a third country or to an international organisation outside the EU/EEA.

Retention period

We store your data as long as it is necessary for the aforementioned purposes. Afterwards, your data will be deleted in compliance with the applicable statutory retention periods, unless this is contrary to legitimate interests such as, for instance, the assertion of claims.

Your rights as data subject

With respect to your personal data, you may assert the following rights towards the aforementioned data controller:

- the right of access pursuant to Art. 15 GDPR
- the right to rectification and/or completion of your data according to Art. 16 GDPR
- the right to erasure of the personal data according to Art. 17 GDPR
- the right to restriction of processing according to Art. 18 GDPR
- the right to data portability according to Art. 20 GDPR

Moreover, you have the right to file a complaint with respect to the processing of your personal data with the data protection supervisory authority.

If you have granted a consent to the processing of your data, you are at any time entitled to revoke your consent. In this case, however, the lawfulness of the processing made until the revocation on the basis of your consent will remain unaffected.

For asserting your rights, please contact our data protection officer indicated above.

STATEMENT OF CONSENT

pursuant to Articles 7 and 9 of the General Data Protection Regulation (GDPR)

I/we hereby agree that the BDAE Expat GmbH as well as the companies of the BDAE Group (BDAE) appointed for this purpose by the BDAE Expat GmbH collect, use, store and process my/our health data. The necessity to proceed this way is based on my/our desire to conclude the EXPAT PRIVATE PREMIUM international health insurance for my/our stay abroad, as applied for by me/us today.

The BDAE is the policyholder of a group insurance scheme I/we want to join. For this reason, the BDAE must know my/our health data in order to be able to assess my/our application for admission to the group insurance scheme and decide upon it. Where necessary, I may become subject to risk premiums or exclusions due to my/our health data.

In case of claims, it may become necessary for BDAE to collect, use, store and process additional health data. For this purpose, too, I/we give my/our consent.

I have taken note of the privacy information and the privacy statement of the BDAE.

In the event that I/we want to include third parties (e.g. tax advisors, insurance intermediaries, human resources departments) into the communication held with the BDAE, I/we will grant such persons the corresponding approvals pursuant to Articles 7 & 9 GDPR and, where appropriate, issue the required releases from secrecy.

RELEASE FROM SECRECY

In addition to the consent to the collection, use, storage and processing of my/our health data, I/we have to grant a release from secrecy in order to enable all parties/institutions to answer the questions they will be asked in connection with health data. This applies to the application procedure as well as to the application for a benefit and the review of an insured event. The confidentiality of such data is protected via the General Data Protection Regulation (GDPR - Articles 7 & 9) and the German Penal Code (Section 205 StGB).

The review of data only takes place to the extent necessary for handling and processing the application or, as the case may be, the insured event.

I/we have already agreed that the BDAE Expat GmbH and the companies of the BDAE Group (BDAE) appointed for this purpose by the BDAE Expat GmbH collect, use, store and process my/our health data. I/we now agree that the BDAE may make inquiries in order to review the application for admission to the insurance scheme, assess the risk and/or review an insured event by consulting physicians, hospitals and other health institutions, nursing homes and caregivers, other personal insurers and statutory health insurance schemes as well as trade associations and authorities.

I/we hereby release the aforementioned persons and employees of the aforementioned institutions from their duties of secrecy relating to my/our health data reliably collected and stored on the basis of examinations, consultations, treatments as well as insurance applications and insurance contracts in a period of up to ten years prior to the date when the application was filed with the BDAE.

To the extent that the aforementioned statements relate to information rendered at the time of application, they shall be valid for a term of five years after contract conclusion. If - after contract conclusion - the BDAE believes due to specific indications that the information given at the time of application was intentionally wrong or incomplete and that the risk assessment was affected for this reason, such releases from the secrecy duty shall be effective for a period of up to ten years after contract conclusion.

For assessing the risks and reviewing the duty to pay benefits, it may become necessary to involve medical experts or other third parties for obtaining expert reports. I/we agree that the BDAE forwards my/our health data to medical experts or other third parties to the extent that this is necessary within the framework of the risk assessment or the examination of the duty to pay benefits and that my/our health data may be used by such third parties for the intended purpose and that the results may be sent back to the BDAE. I/we release the persons and experts working for the BDAE from their secrecy duties.

In exceptional cases, it may become necessary that the BDAE informs the Allianz Partners AWP Health & Life insurers. In this case, the releases from the secrecy duty issued in the matter at hand also applies to the statements and information made towards or rendered to Allianz Partners AWP Health & Life.

For the purpose of examining the duty to pay benefits, it may - also after my/our death - become necessary for the BDAE to review my/our health information. In this case, too, I/we release the aforementioned persons and employees of the aforementioned institutions from their secrecy duties

I/we have taken note of the information on privacy and the privacy statement of the BDAE.
